

T-WALL SERIES

Model #SPT319

Shure **SAFE**®

T-Wall Series Drawers are an ideal solution for pharmacies, convenience stores, correctional facilities, law enforcement, financial facilities, fast food restaurants and government facilities.

Model #SPT319

FEATURES

- Economical security solution for cashier and ticket windows, administrative, retail and convenience store environments, outdoor payment kiosks and other point-of-sale contacts
- Suitable for walk-up or drive-thru applications in interior and exterior environments
- Designed with an extending tray housing for installation through walls, in countertops with a window above, in kiosks or through other window arrangements
- Full-length removable deal tray for document, cash, credit and smaller transactions
- Removing the deal tray allows for larger bulkier items to be transferred through the drawer
- Includes a UL® level 3 bullet resistant faceplate insert
- Designed for installation in up to a 4 1/2" thick wall and features a storage compartment with a forward-hinged lid that conceals contents from customer view
